

You and your fellow Apprentices will move through the programme together and will have many opportunities to share your experiences with forums and live meetings.

You will enjoy a full blended programme to include, but not limited to.....

- Self-development
- Working in a team
- Group Induction programme
- Trained Mentors
- Claims and Risk Management
- Products & Class Management
- Business Development
- Temporary work placements
- Exam and revision techniques
- Graduation ceremony
- Potential Scholarship for higher learning
- Regular reviews and evaluations
- Achieve Cert CII Professional Qualification

## Apprenticeships
